Dear Sir,

I am writing to request "Special Handling" for my patent application on
Serial No. 09/895,190, entitled "Voting Device with Immediate Feedback," filed
July 2, 2001. It is my understanding that the PTO gives this preferential
accelerated treatment to elderly applicants. I am now 84 years of age, as may
be seen from the enclosed Xerox copy of page 2 of U.S. passport No. B2094037
(birth date Nov. 23, 1917). My birth certificate is also available if needed.

Please let me know if my application can be given this special status.
